

## ARC Summer Sign-Up Steps

! Please Read the 'Summer Development Schedule' Policies on pages 2 & 3 !

**Step 1:** Review Summer Schedule and determine your rower's available "Weeks" including the specific Dates/Days & Times based on your age & goals.

Note: Planning and committing to your initial schedule helps us organize and deliver the best case boat line-ups for everyone; whether you're Competitive, Recreational or still figuring it out.

**Step 2:** Send us your initial plan.

- New customers call or email ([allrowmanager@gmail.com](mailto:allrowmanager@gmail.com));
- Existing Customers; Text us via your AGT.

Please know that it will help us get sorted and focused on rowing at each session with minimal chaos. We understand that changes may happen and we'll roll with it!

Based on your feedback, we actively combine peer groups. GOOD attendance is the prerequisite for ensuring good rowing sessions. Please refrain from Chronic Tardiness, last minute Cancellations or No Shows, this negatively impacts the Coaches and Rowers.

Those needing help and ideas on how to select the best case for your rower may contact Coach Brian Easter for help: 847.347.3278.

Please help all of us by cooperating and staying connected with our activities.

Thanks All, ARC Staff
